

Execution Progress of the Intellectual Property Management Plan

1. Execution Status

Our company has reported intellectual property-related matters to the 15th Board of Directors' 6th meeting on November 6, 2024.

In 2024, our company promoted the Intellectual Property Management Plan with the following main execution status:

1. To enhance the basic knowledge and management capabilities of our internal personnel regarding intellectual property rights, we held a lecture titled "Understanding Trade Secrets." The lecture was attended by 29 people and lasted for a total of 0.5 hours.

2. Current List and Achievements of Intellectual Property Rights

(1) Patents:

1. As of the end of October 2024, our company has accumulated a total of 351 global patent applications and over 199 approved global patents. In 2024, we obtained 4 foreign patents and 6 Taiwanese patents.
2. As of the end of October 2024, Chinuova Company has accumulated over 40 approved global patents, including 28 foreign patents and 12 Taiwanese patents.

(2) Trademarks:

1. As of the end of October 2024, our company has accumulated a total of 100 global trademark applications and 96 approved global trademarks, including 76 foreign trademarks and 20 Taiwanese trademarks, serving as a strong support for global market sales and deployment. (Note: 1 trademark right expired and was not renewed)
2. As of the end of October 2024, Chinuova Company has accumulated a total of 51 global trademark applications and 35 approved global trademarks, including 32 foreign trademarks and 3 Taiwanese trademarks, serving as a strong support for global market sales and deployment.
